Please pray:

- for rain-the crops are dry.
- employees on the compound to work well
- wisdom for the station council to deal with personnel issues

#### **Ruth Scheltema**

Please pray for God:

- to supply \$20,000 for a matching fund for building cabins at Woodlands Baptist Camp
- to bless and keep the campers and mission volunteers safe.
- for many children and youth to be saved at camp this summer
- for Lynette, a nurse's aide, who needs to know the Lord personally as her Savior and friend.
- guidance as I plan the two handbooks for youth clubs and write lessons in Portuguese
- wisdom as I begin to plan for the Awana Club program in the fall.

#### **Bill & Sue Spoelhof, Brazil**

In April we found a large piece of land that would work for our church needs, with an owner who would cooperate through the complicated process of government and church approval. By a unanimous vote the church approved the purchase. Just after Mother's Day the final paperwork was signed and we now have land for building.

#### **Sarah Damick, The Gambia**

Dear Berean Family, I just wanted to drop you a note to say hello and to thank you for your continued prayer support. I have needed it! Things are much different from when I was here before, so my adjustment has been different and more difficult than I had imagined. But that does not mean that there is a lack of blessing. He still works miracles. So, thank you for your continued prayers. The work here goes on to His glory

#### **Todd & Jennifer DeKryger, Togo**

-We are in great need of cement masons, plumbers, and electricians to lead the Togolese in building the Hospital of Hope, in Mango. Pray that God would bring to us those who could serve for 2 months to 2 years.

-Pray that we would find water by way of a 300 meter well.

-Pray that God would continue to raise up career missionaries to serve Him in the medical ministry in Mango.

-Pray and consider giving to the building fund of the Hospital of Hope in Mango.

-Our family is heading to the States for furlough. We are scheduled to be home in August. Pray that all the transitions go smoothly.

-We are in need of funds to build a house in Mango for our family on the hospital compound. It will be our long-term home, powered by solar energy.
