## **Steve & Sue Mayo - Australia**

Thank you for praying. We are pleased to report on what God has been doing in Oz over the summer months.

**Church Turns Ten** - Cornerstone Baptist celebrated the tenth anniversary of its opening service. We praise God that the core group we started with is still intact, and that God has added many more people to the congregation over the years. Please keep praying as we seek God's will for a pastor and/or a building.

**Growing into the Future** - Cornerstone closed out 2009 with a bang and has kept the momentum going in 2010. We set a record high attendance of 104 people in December and then had our second highest January - not bad for summer vacation! Our three midweek Bible studies have all reached capacity. Perhaps it is time to start thinking about starting a fourth!

**Back in the Classroom** - Sue is teaching English as a second language again and loving it. Over the summer, she accepted an invitation to coordinate the educational program at Edu-mission - a post she held when Edu-mission first started. We thank God for assembling a full staff of volunteer teachers, and for bringing in about 40 students. Pray for salvation decisions.

**Developments at Sydney Institute for Biblical Studies** - SIBS is seeking to attract more students. With the new semester set to begin, we may have as many as three new enrollees. Please pray for a music conference we will hold on 20 March as a catalyst for new classes in music. The conference is called "Exalt" - you can read about it at [www.afbc.net.au](http://www.afbc.net.au).

**Seminary Accreditation Application Continues** - Thank you for praying for our application to register and accredit a seminary. We are still writing...and writing...and writing. In the meantime, our students are continuing to study via extension classes. Pray for discipline to finish writing the application, and for swift approval.

We want you to know that your partnership with us in prayer is bearing fruit. May the Lord give you much joy as you see His marvelous purposes fulfilled to the praise of His glory.
