Paul's final challenge in this section is to slaves and masters. Thankfully we no longer have these in our churches, but the principles here apply to employer / employee relationships in our culture. Paul wants God's grace to fill us and spill out of us in our work life.

THE ELEPHANT IN THE ROOM:

1) Employees: Show you are grace-filled by _____ you work – 6:5-8
   * work under _____ ____________________
   * ______ our ______________
   * give ______ all the ______
   * demonstrate a __________ __________
   * be confident of a ________________

2) Bosses: Show you are grace-filled by how you ______ at work – 6:9
   * ______ under THE __________
   * ______ others as we ______ to be __________
   * don't ______ others, ______ them

Followers of Jesus must shine out God's grace in the ______. It's part of the antidote for our broken country.
